Sports Council, AKS University, Satna Football Tournament 2023-24

Rules and Regulation:

University football Tournament is a form of gridiron football where teams of amateur student-athletes compete at universities and colleges. Gridiron football initially gained popularity in the United States through collegiate competition. The tournament at AKS University, Satna is organized in two distinct phases: the Block level and the University level. All matches are knockout matches, and the final team consists of 11 players + 11 selected player from the tournament other than winner. These players undergo intensive training at the University Campus. The final 16 players will then represent the University in the All India Football tournament annually. The rules and regulations for the national level tournament mentioned below remain unchanged.

1. Matches must adhere to the regulations set by the All India Football Federation/Women's Football Federation, unless otherwise specified in these rules.
2. In knockout matches, if a game ends in a tie, an additional 15 minutes of playing time will be added to each half of the regular period of play. Upon the completion of the regular playing time, which includes an additional 15 minutes of play in each direction, both teams will take 5 penalty kicks, alternating one by one. The team that scores the higher number of goals will be declared the winner. If the result has not been declared yet, the players ranked 6th, 7th, 8th, and so on, from each side, will take turns alternatively. Continue taking penalty kicks until a winner is determined, ensuring that an equal number of kicks are given to each team. The side that will take the first kick will be determined by flipping a coin. Prior to the commencement of the penalty kick, both team captains are required to select 5 players who will represent their respective teams in taking the penalty kick. Substitution is strictly prohibited during the tie breaker rule.
3. Unless absolutely necessary, it is prohibited for any team to be required to participate in two matches within a single day. In the event of unavoidable circumstances, if a team is required to play two matches in a single day, there must be a minimum of 6 hours between the conclusion of the first match and the start of the second match. Teams should not be compelled to play matches for more than four consecutive days, and there must be a one-day break between the semi-finals and the final.
4. Football shoes are mandatory for all players participating in the tournament.
5. In league matches, if there is a tie, the outcome will be determined based on the difference in goals scored. Objectives for – goals against. In the event that two universities are tied in terms of goal difference, the tiebreaker will be determined based on the university with the highest total number of goals scored. For instance, if team 'X' scores 15 goals and concedes 10 goals, and team 'V' scores 12 goals and concedes 7 goals, team X will be declared the winner based on the highest total number of goals scored. If there is a tie in goal difference among multiple universities, the outcome will be determined by a random drawing.

6. Male Individuals

The tournament will be played using a knock-out format until the semi-final stage. Starting from the semi-final stage, a league system will be implemented. During the

Sports Council, AKS University, Satna Football Tournament 2023-24

Inter-departmental stage, the tournament will be conducted using a combination of league and knockout formats.

7. Female individuals

The tournament will be conducted using a knockout-cum-league format.

8. Each department must provide a roster of players, with a maximum of 16, including any substitutes. A maximum of 16 merit certificates will be awarded to a team.

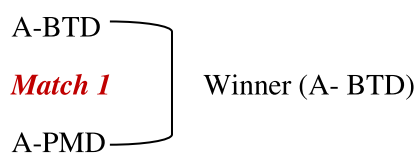

Details of the Tournament

Department Teams	Department Code	Block Name	Block Code	Block Coordinators
